WORKING PAPER

26

24 October 1988

SOLO TASKER-2

1. ENCRYPTED COORDINATES: 731401/431725

2. BACKGROUND: In previous tasker of 6 October 1988, you were asked to describe an event. ~~Additional requirements in the form of who was involved, what was involved and where it took place, were added to the requirement.~~ Your reported perceptions of "structure, water, sea, isolation, metallic, aboard ship, during darkness," appear to be accurate.

3. ESSENTIAL ELEMENTS OF INFORMATION: Now, tell me what happened. Tell me where it happened from an overhead vantage point used to identify a land and ocean interface.

NOTE: Provide sketches in support of your viewing - Trust your viewing.
